Subject: Final COmments

Hi John,

Per our conversation I am providing final comments to both the RI/FS Workplan and SAP.

3 comments for the RI/FS

Comment 1. Page xii – sentence reads. “CFAC reserves the right to make changes...” “Please add CFAC reserves the right, subject to EPA approval, to make changes...”

Comment 2. Page 12 – remove space from the work “Insects”

Comment 3. Page 23 paragraph 2.8.9 should be move to reflect chronological order for date of correct “1989” paragrapyh should be 2.8.5 and correct the rest of the paragraphs accordingly.

1 comment in SAP;

Comment 22 from CDMsmith of the Nov 18th comments. Please add response referred to, and is in the RI/FS to the SAP document. So this information is included in both documents.

We also discussed having a meeting to roll out communication Strategies on Dec. 2nd. We probably should try to do this this Wednesday, Nov. 25th, I know Mark is gone but I think we can discuss this to see if we can make Nov. 30th our signature date. (Shooting for that date)

Thanks,
